

Before you start

Profilometry has become the gold standard for scleral lens fitting. The **Eye Surface Profiler** is an easy to learn and easy to use Profilometry device that is the world leader in ocular topography. We have enjoyed working closely with our lab partners for many years with the aim of providing the best outcome for our patients. And now we are thrilled to introduce **DirectConnect™**.

DirectConnect with the **BostonSight FitConnect®** combines the expertise of the two companies to deliver more customized lenses and a faster ordering process.

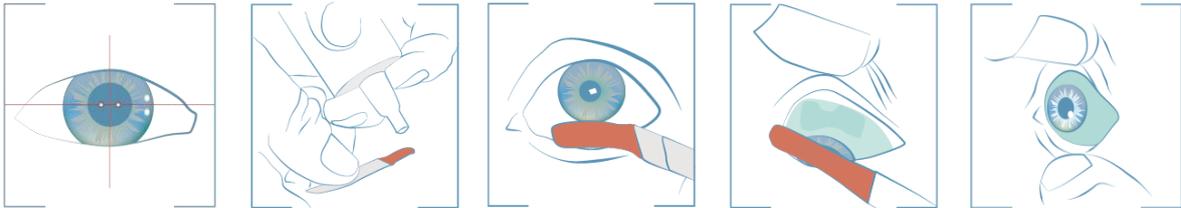

This guide explains how to use the DirectConnect feature step-by-step. For any feedback or questions please contact us at optometry@eaglet-eye.com.

1

Make a measurement

- Lubricate the eye
- Pre-align device
- Instill fluorescein
- Dim light and instruct patient
- Open both eyelids
- Final re-align adjustments and fire

For more details, see [ESP Measure Guide](#) or watch this short video: https://youtu.be/oDm24k_kWi8

2

Select lens design

- 1) Go to **FIRST FIT LENS** on the left menu.
- 2) Select **Supplier**: BostonSight | **Type**: SCLERAL^{IG} | **Diameter**: choose between 18, 18.5 and 19 mm.
- 3) Click on **Calculate**.

- 4) The software will now calculate the lens parameters prediction.
- 5) Click on **DirectConnect** and it will direct you automatically to **BostonSight FitConnect** online tool.

3

Order the lens directly

User login

Log in into your account or register for a **User Account** if you do not have one yet.

Data upload

Patient data (**First Name & Last Name**) and **ESP lens prediction** will be shown on the screen. Click on **Submit** and the ESP data will be automatically uploaded.

ESP Output

Patient: **First Name** **Last Name**
Eye: Left
Diameter: 18.50
Sag: -400.00
Base Curve: 8.30
Meridian 1 (delta) -250.00
Meridian 2 (delta) 50.00
Meridian 3 (delta) -350.00
Meridian 4 (delta) -350.00

Search patient

If the patient is an existing user, look it up in FitConnect's platform. If this is a new user, register the patient.

Here you would typically be able to modify the lens design in real time. However, with **DirectConnect** the ESP data is automatically incorporated in the graphical representations.

If you want to add a SmartChannel™ click on **Add SmartChannels™**. You can leverage the ESP data to guide you on how to design it. Please refer to **BostonSight FitGuide™** for more information. To finish click on **Save and Continue**.

Order

Here you will find the list of pending orders. Click on **View Order and Finalized** to see the summary of your order one last time, confirm your shipping address, and then place the order.

The screenshot shows the 'Pending Orders' section of the FitConnect interface. At the top left is the BostonSight logo and 'FitConnect' text. At the top right, it says 'Welcome, (Practitioner Account)' and has 'LOG OUT' and 'Return To Dashboard' links. Below this, the 'Pending Orders' section displays patient information: Patient CRN: 04102020, Patient Name, Patient DOB: 01/01/1960, and Patient Email. A 'View Order History' button is next to the DOB. Below the patient info is a table with columns: Order Date, Right or Left, Product, Order Type, Edit, Pending Status, and Delete. The table contains one row with values: 2020-04-13, Left, BS 18.5, Fit, Edit, -, and Delete. Below the table, there is a link to 'Upload' photos. At the bottom, there are three buttons: 'Save and Order Another Lens for this Patient', 'View Order Summary and Finalize' (highlighted with a red box), and 'Close'.

The screenshot shows the 'Order Summary' page. It features the same header as the previous page. The 'Order Summary' section displays patient information: CRN: 04102020, Name, Date of Birth: 01/01/1960, Email, and Practice. A 'View Order History' button is next to the DOB. Below this is a table with columns: Right or Left and Order Type. The table contains one row with values: Left and Fit. Below the table, there is a 'Select Ship To Address:' dropdown menu showing '464 Hillside Ave, Suite 206, Needham, MA 02484, United States'. Below that is a 'State/Province license issued:' dropdown menu showing 'MA'. Below that is a 'Purchase Order #' dropdown menu. Below that is a 'Delivery Method - This will be added to Lab lead time of 1 days' dropdown menu showing 'Standard: \$0.00'. Below that is a '*Needed By:' text input field showing '04/21/2020'. Below that is a 'Hold For Consultation' checkbox. Below that is a note: 'If Hold for Consultation is selected, order will not be processed until you have contacted BostonSight.'. At the bottom, there are two buttons: 'Place Order' (highlighted with a red box) and 'Cancel'.

For more details, please contact the Eaglet team (optometry@eaglet-eye.com) or your BostonSight representative.
